DJ Dan Leask

DJ Dan Leask has been passionate about music since a young age, mainly listening to the 70's, 80's and 90's as introduced to him by his parents. Since becoming a DJ in the early 2000's, Dan has now played at many high profile weddings, parties and corporate events, as well as at pubs and clubs across the county.

Dan is an extremely versatile DJ and can draw from many different music styles and genres including Disco, Retro, Pop, Dance, R'n'B and Rock. He is also very confident on the microphone and is more than capable of taking on your event MC duties if required.

During his down time, Dan enjoys scuba diving, skiing, snowboarding, relaxing to great tunes and travelling the world.
