Tim Densley is an extremely experienced and versatile Disc Jockey who has been providing entertainment for Weddings and Corporate Events since the late 80's. He prides himself on attention to detail and impeccable song selection from the huge music library that he has amassed over his many years in the industry. Tim has played in every state of Australia and has also performed on the international stage in Bali, Spain, France, Greece, Cyprus & Turkey.

No problem is too difficult for Tim and he will go to whatever lengths are necessary to ensure that your big day runs smoothly and without drama. Tim is also one of our Platinum DJ's, and was chosen to be part of this select group due to his exceptional talent and professional attitude. He is also the Timeless Wedding Entertainment business owner so you know that he will put in 100% at each and every booking that he does.

In his spare time Tim enjoys running and swimming to keep fit, with travel, snow skiing and scuba diving all featuring high on his list of leisure activities. He also has a huge passion for classic cars and is constantly working hard to build his collection.
