

DJ Anna Poshe

Being one of Australia's first female R'n'B and Hip Hop DJ's back in the 00's, Anna Poshe has been fortunate enough to play at over 30 of the biggest clubs across Australia, United Kingdom, Indonesia and Malaysia. Anna has also supported many well known artists and international DJ's such as Montell Jordan, Aaradhna, Savage, Jin, Horace Brown, Guy Sebastian and DJ Rectangle.

Anna Poshe is also a specialist Event DJ, and offers her services to high end Weddings, Engagements, Birthdays, Corporate Events, Fashion Shows, Festivals and more. She's an old school all-vinyl DJ, so if you love your 90's R'n'B and Hip Hop then Anna will be perfect for your celebration. Never limited by genre however, Anna will ensure that her song selection and enthusiasm keeps the dance floor packed and moving all night. She's always happy to work closely with her clients to create the ultimate song list.
